### Method and system for reconstructing aberrated image profiles through simulation

SD Slonaker, ... - US Patent App. 10/538,763, 2004 - Google Patents

... a lens in relation to the **response surface** functional relations ... most typically represented as **Zernike Polynomial** coefficient ... 6( p ) is the **Fourier Transform** of ...

### Intra-field effects on device and circuit manufacturability: a statistical simulation approach

Z Krivokapic, WD Heavlin, AMD Inc, CA Sunnyvale - IEEE Transactions on Semiconductor Manufacturing, 1999 - [ieeexplore.ieee.org](http://ieeexplore.ieee.org)

... The latter are the seventh and eighth **Zernike** polynomials that cause ... **Response surface** methods, which **fit** multivariate second-order Taylor series, do not fully ...

Cited by 2 - Related articles - Web Search - BL Direct - All 4 versions

### [PDF] ► Adaptive Optics Correction of Ocular Higher-Order Aberrations and the Effects on Functional Vision

E Dalimier - 2007 - [optics.nuigalway.ie](http://optics.nuigalway.ie)

... 40 3.3.1 Generation of **Zernike** polynomials ... 40 ... In this Thesis, we will use **Zernike** polynomials. ...
